

MEMORANDUM - CORONA VIRUS CLUB STATUS

Due to recent concerns regarding Fennwood Hills Country Club admittance, this letter shall serve as a temporary statement describing the current status of Fennwood Hills Country Club:

1. Fennwood Hills Country Club is a MEMBER'S ONLY club during the Corona Virus pandemic. This decision was made by the board of directors in April of 2020 until further notice. On some occasions, one guest may be allowed with an active member as long as the 50-person limit is not exceeded.
2. The clubhouse and all properties thereof are limited strictly to current active members only.
3. The banquet hall, swimming pool, tennis courts, and other facilities are limited to active member use only.
4. Any member requesting rental of facilities must sign a waiver stating that they agree to and will follow any federal, state, or local requirements for COVID-19 pandemic prevention.
5. New memberships to the club are on a limited case-by-case basis and must be obtained via our policy regarding new member application and acceptance found in the "Membership Committee Guidelines."
6. All other inquiries can be made via our web page at - www.fennwoodhillscountryclub.com.

Upon notification from authorities that the COVID-19 crisis has been conquered, these restrictions will be discussed at a board of directors meeting for a vote to be lifted.

Sincerely,

FHCC Board of Directors
